Inventor Carter Visits
Hyattsville Site to Note
Progress.

H. O. Carter, the Western manager and purchasing agent of the Carter Motor Car Corporation, and the inventor of the famous Carter two-engine car, reached Washington yesterday morning from Detroit, upon a tour of inspection with reference to the progress of construction at the new Eastern factory, situated at Hyattsville.

During the afternoon, accompanied by President A. G. Carter, Vice President W. D. Arison, Treasurer F. L. Carter, and Messrs. W. E. Berry and S. L. Burch, Mr. Carter drove out to the factory site in one of their two-engine machines and made a thorough inspection of the works, being very much pleased with the conditions found and the outlook.

Mr. Carter said that the company's progress elsewhere, particularly at Detroit, was very good, and that orders for cars, and especially for their double water radiator, were so heavy that it would be many months before they could fill them, and that the stock the company was offering for sale for the completion of their new factory at Hyattsville was being readily subscribed for.

Mr. Carter showed but slight effects of his narrow escape from death, a few months ago, when he was so seriously injured near Detroit, while attempting to repair another car which had become stalled with a party of ladies. Though laid up in the hospital for repairs, himself, for some weeks, Mr. Carter is none the less enthusiastic for his experience, and was the recipient yesterday of many congratulations from his acquaintances upon his narrow escape. Mr. Carter expects to remain in the city for about a week, when he will return to Detroit.

NEW CUSTOMS SYSTEM TO PLEASE TOURISTS

Home-coming European tourists will rise up and call Secretary Cartouleyou blessed henceforth. He has announced a new method of baggage examination that will go into effect this season, which is a radical change from the old system. Assistant Secretary Reynolds has worked out the system, and it will become effective about August 15. To change present conditions, the Secretary has planned to do away entirely with the oath, and instead of taking declarations at the end of the trip, to distribute blanks among the passengers early in the voyage to be filled out at the end of the trip and the baggage examined ashore.

COLORADO GETS BANNER FOR GOOD MARKSMANSHIP

The records of rifle, carbine and pistol practice issued yesterday by the War Department show that the southwestern division leads with an average of 72.33 per cent.

The departmental banner goes to Colorado. The winners in the various departments are as follows:
Highest point score, Fort Wingate, N. M., 107.25.
Highest cavalry score, Fifth Cavalry, 87.7.
Highest infantry score, Twenty-sixth Infantry, 81.20.
Highest individual troop, Fifth Cavalry, 123.90.
Highest infantry company, Company G, Twenty-sixth Infantry, 106.21.

SEN. DAVIS PLANS CHURCH AT GASSAWAY, W. VA.

Harding & Upman, architects of this city, have been commissioned to prepare plans for a new Presbyterian church to be built by former Senator Henry G. Davis, at Gassaway, W. Va. The church, which is to be erected as a memorial to his wife, will be of stone, and is expected to cost about \$25,000. The design in view is of a simple design with plain and simple embellishment.

Waiting for a License, Almost at the Church, Lover and Savings Go

Lovelorn Maid Fooled,
Suitor Is Arrested
Far Away.

PITTSBURG, July 16.—"Deserted at the License Shop," or "Waiting at the Church," is the title of the romance, the last scene of which was enacted in Passaic, N. J., in the arrest of Albert Tall, formerly of 2025 Penn. avenue, Pittsburgh. The young man is now being held to await the arrival of Pittsburgh officers, who will take him in tow on the charge of embezzlement.

Miss Edith Keder, a pretty young woman, lives at 2010 Penn. avenue. Miss Keder met Tall some months ago. He lived across the street from her home, and Tall apparently fell in love with her. He proposed marriage, and was accepted, according to the story told the police by Miss Keder. She said she also told him that by working hard for several years she had been able to save \$150. This, at Tall's request, she drew from the bank, and it was to be spent in furnishing her home.

June 19 the couple went to the court-

MRS. MARY HALL DIES ON BROOKLYN VISIT

Mrs. Mary A. Hall, widow of James H. Hall, died suddenly yesterday morning in Brooklyn of apoplexy. Mrs. Hall left Washington a little more than a week ago to visit friends in Brooklyn. On Sunday morning she became ill while at breakfast, and died at 3 o'clock on Monday morning.

Funeral services will be held at 3 o'clock on Wednesday afternoon from her home, 46 Seaton street northwest. Burial will be made in Congressional Cemetery.

Mrs. Hall was sixty-two years old, and had spent nearly all her life in Washington. She is survived by one son, James W. Hall, and five daughters, Mrs. F. Campbell, Mrs. George Johnson, Mrs. George Burneaten, Mrs. Raymond Schreiner, and Mrs. G. Albert Freer.

ARCHITECT DESSES NAMED SURVEY BOARD MEMBER

Leon E. Desses, a well-known architect, a member of the special commission revising the building regulations, has been appointed by the Commissioners to serve as a member of the District of Columbia board of survey to examine and report upon the conditions of the building at 1117 and 1119 Eighth street northwest. The examination will be made upon the request of the owner.

CITIZENS FILE PROTEST AGAINST NEW SIDEWALK

Another protest has been filed by citizens, and property owners on 17 street between Thirteenth and Fourteenth streets, against a new cement sidewalk as unnecessary and an un-called for expense.

Engineer of Highways Hunt has recommended that the new sidewalk be laid notwithstanding the protest, as the traffic over the proposed improvement is heavy and the improvement needed.

BALTHIS ESCAPES SERIOUS INJURY

Washingtonian, Conductor
on Southern, Hurt in
Wreck.

Friends of Conductor D. L. Balthis, of 514 E street northwest, report that the injuries received by him in a wreck yesterday on the Southern near James-town, N. C., were not serious. Fred Blakemore, a mail clerk, on the Southern, boarded the train carrying the passengers of the wrecked express and learned that while Conductor Balthis had been badly cut about the face and bruised he was able to walk to the home of the company physician after leaving the wrecking train at Greensboro. He will probably leave Greensboro today for Strasburg, Va.

The officials at the Southern office this morning say that the accident was due to a spreading of the rails on account of the intense heat, which prevailed throughout the South yesterday. A thorough investigation will be made today.

The accident occurred when the train was traveling at the rate of about thirty-five miles an hour. The conductor, Balthis, the Alexandria and Washington residents injured were:

L. L. Bowland, flagman, Alexandria, Va., cut over left eye, right leg slightly sprained.

Arthur Wilson, negro cook, 188 Missouri avenue, Washington, bruised and cut.

Thomas Dawkins, colored waiter, 523 New Jersey avenue, Washington, slightly cut and bruised.

Robert Johnson, colored waiter, 499 Missouri avenue, Washington, legs bruised and sprained.

**MODERN POWER PLANT
NOW BEING INSTALLED**

The power, heating, and lighting plant being installed in the State, War and Navy building is nearing completion under the supervision of Capt. J. H. Poole, Engineers Corps, U. S. A.

The old plant was composed of antiquated boilers and engines, widely scattered in the sub basement. They were designed to burn an expensive grade of fuel, but most of the steam was wasted and valuable heat lost. Only ten firemen will be employed to do the work that formerly required twenty-nine men. By the installation of the system the Government will save at least \$35,000 yearly.

**MRS. EISENMANN DEAD;
FUNERAL TOMORROW**

The funeral of Mrs. Jacob Eisenmann, who died suddenly on Sunday morning after a short illness of heart trouble, will be held tomorrow morning at 9:30 o'clock from her home, 514 M street northwest. Dr. Abraham Simons and Dr. Louis Simons will conduct the services at the house and accompany the body to the Hebrew cemetery.

Mrs. Eisenmann is survived by her husband, Jacob Eisenmann, a member of the firm of M. Eisenmann Brothers, and one daughter, Miss Blanche Eisenmann.

Visit the Guard Thursday.
For accommodation of those desiring to visit the soldier boys while in camp at Harpers Ferry, special train will leave Baltimore & Ohio station 9:30 a. m. Thursday next, July 18, returning 7:18 p. m. same day. Round trip, \$1.50.
